

## CHOCOLATE BISCUIT FRIDGE CAKE

### INGREDIENTS

Twin pack of digestive  
biscuits

250g salted butter

454g golden syrup

125g agave nectar

60g cocoa powder

160g Cadbury drinking  
chocolate

### METHOD

Place the biscuits in plastic bag and bash into crumbs with a rolling pin.

Melt the butter, golden syrup, agave nectar, cocoa powder and cadbury's drinking chocolate in a large pan.

Line a large oven tray with baking paper and tip the biscuit crumbs onto it.

Pour over the melted mixture and mix together and flatten out.

Place in the fridge to cool and then cut up into bite size pieces.

This also freezes well.
